If you have any COVID-19 related symptoms, especially those who returned from abroad recently, please go to the nearest hospital for the examination, or any medical assistance. If 14-day self health management or 14-day quarantine is required, please keep the record of your daily body temperature, document any health condition occurred, and upload the report to the NCKU website (https://app.pers.ncku.edu.tw/ncov/index.php?c=self_report). Thanks for your cooperation. For those who needs the accommodation due to the required quarantine, please call the Taiwan CDC toll-free hotline 1922 or 06-2757575 at ext. 50430. Please leave any additional comment(s) below.
